About us

THE MELTING POT

The Melting Pot is Scotland's Centre for Social Innovation. An inspiring community of people striving to make the world a better place.

Through coworking, collaboration and learning we accelerate our members success and amplify the positive change they are creating for people and planet.

The Melting Pot offers freelancers, small businesses and non-profit organisations flexible, creative and budget-friendly solutions for this new era of working.

Whether you want to save money on office overheads; are in need of a safe, friendly workspace to improve a colleague's wellbeing; or are seeking an inspiring venue to thrash out some strategy. The Melting Pot is here to help you find what works for you and your team.

"My dream was to create a special resource base – a collaborative working and learning environment, in my home city. I wanted to bring together interesting people who do interesting things, and to develop a dynamic and diverse community that shared a sense of purpose."

Claire Carpenter, Founder
