

# DO THINGS DIFFERENTLY

## With our Social Innovation Consultancy

### Who is it for?

Designed for medium to large size organisations seeking to solve a problem or introduce something new in 2026.

### What do we do?

Tackle real scenarios that are present in your organisation and are reducing progress.

### I have a lot of issues to cover. How much time do you have?

One half day in-person workshop with the option to add 2 x 60 minute online follow ups.

### Is this going to cost me an arm and a leg?

£750 + VAT, with 10% reinvested into Scotland's entrepreneurial ecosystem.

### Who else does this?

We have worked with The Law Society of Scotland, Changeworks, Zero Tolerance Scotland, Glasgow City Council and many more.

### Why should I bother?

As Scotland's Centre for Social Innovation, we know that people affected by a problem are best placed to solve it. Enable your teams to tackle them head on, with our bespoke support.

### Make it happen!
